

SPECIFICATIONS:

IGM120 GOLD LINE SPIRAL MIXER

The Italiana FoodTech IGM spiral dough mixer series is designed with pizza and baking in mind, guaranteeing a light and airy dough. The bowl and dough hook on IGM dough mixers are engineered to seamlessly work together with greater precision than other mixers. With the versatility to mix as little as 1/10th the bowls total capacity, the IGM gives you greater flexibility!

FEATURES

- Safety cage allows operator to easily add ingredients during mixing
- Motor designed with reliability in mind
- Stainless steel mixing components
- Reinforced spiral for high volume production
- Equipped with four caster wheels
- Independent motors for the bowl and spiral
- Digital controls with mechanical backup
- Two working speeds for bowl and spiral
- Inversion of bowl rotation direction in first speed
