

MSKE

TABLE TOP MEAT AND BONE SAW

MSKLE

TABLE TOP MEAT AND BONE SAW
ALL STAINLESS STEEL

STANDARD FEATURES

These table top Meat and Bone Saws are designed for light duty meat processing operations. Model MSKE is constructed of enamel painted steel and its food zones of stainless steel. MSKLE is all made of stainless steel. Both units are equipped with a 1/2 hp motor and 74" long blade with 6 teeth per inch. Ideal for those businesses with limited space but requiring a saw capable of cutting small pieces of fresh meats with bones. These sturdy and compact units come standard with sliding feeding table and thickness gauge plate to help ease the operation. Upper and lower doors and wheels, sliding and stationary tables are easily removable to facilitate cleaning at the end of the day.
